Education

PhD Student. Computer Science, University of Minnesota, 2011 - Present.
B.A. Computer Science, University of Minnesota, Morris, 2011.
B.A. Spanish, University of Minnesota, Morris, 2011.

Experience

University of Minnesota, Department of Computer Science, Research Assistant, *2011-Present*.
University of Minnesota, Department of Computer Science, Teaching Assistant, 2011.
Your File System, Contractor, *Summer 2011*.
Carnegie Mellon University, Department of Computer Science, REU Student, *Summer 2010*.
University of Minnesota – Morris, Department of Computer Science & OpenAFS, Undergraduate Research Project, *Jan. 2010 - June 2010*.
Google Summer of Code, OpenAFS, Participant, *Summer 2009*.
Google Summer of Code, OpenAFS, Participant, *Summer 2008*.

Fields of Research Interest

Civic engagement, technology for social change, crowdsourcing, online systems, online communities.

Research

Other Publications

Thebault-Spieker, J. *Midwest Instructional Computing Symposium 2010* - Can protocol and application layer statistics improve client-server responsiveness?.

Conference and Seminar Presentations

Symposium on Urban Informatics Exploring Smarter Cities
Drexel University, College of Information Science and Technology, June 11, 2013.
25th UMM Computer Science Seminar II (*Senior Seminar*) Conference
University of Minnesota, Morris, Computer Science Department, December 4, 2011.
AFS & Kerberos Best Practices Workshop 2009
Stanford University, OpenAFS, June 3, 2009.

Honors, Awards, & Fellowships

Undergraduate Research Opportunity Program grant, University of Minnesota, Morris, Fall 2009.

Google Summer of Code Completion, Google Open Source Programs Office, Sept. 2009.

Google Summer of Code Completion, Google Open Source Programs Office, Sept. 2008.
